# TRADE LIST — SPRING 1941

## PERENNIALS AND ROCK PLANTS.

For Lining-Out, Potting and Immediate Sales.  
also All One Year Clumps.

Strong, field-grown plants and divisions for potting and lining-out. We specialize in this class of plants. Our strong, sturdy field-grown plants are stocky, well rooted and healthy. Our liberal divisions are well rooted and clean. You will find our stock true to name and of good quality, carefully labeled.

All plants are graded, carefully packed with proper moisture, uniform number in package, packed straight, easy to handle, ready for business, potting, lining-out or immediate sale. We have customers who handle this stock for sale right off the counter. Others take orders and deliver on arrival. All plants are dug fresh for each order. We have had great success in pleasing our customers. We guarantee satisfaction.

### INSTRUCTIONS

In ordering please give both number and variety. This list cancels all previous lists of items and prices. We cannot afford to fill an order for less than 100 plants at pre-paid price. After paying the postage, it leaves us no profit. No discounts allowed at these low prices. Please state your express office, if different from your Post Office.

### PRICES AND REGULATIONS

We supply not less than 25 of a kind at the prepaid price. And not less than 25 of a kind at the 100 rate, express collect. And not less than 50 of a kind at the 250 or 1000 rate, express collect. You may order from 250 to 1000 or more under this ruling, or 50 of a kind, of anything in our list—of divisions or plants—figuring the price as quoted. Now, if you do not want but 25 of some item, then order at the 100 rate, express collect, which you can include in any express shipment.

### HARDY FIELD-GROWN PLANTS AND DIVISIONS

1283.—Double New Gold. The flowers are large and fluffy, of a rich, golden yellow with long stems.....  
1282.—Mayfield Giant. A strong grower with large well formed flowers. Brilliant, golden yellow. One of the best for cutting .....

## **DAISIES—SHASTA—**

328—Mayfield Giant. Riegel's Improved. 36 ins. This daisy is a giant in every way—in plant and blossoms, and is enormously free-blooming. It is one among the hardiest of daisies, resistant to heat and cold. The stock we are offering of this variety is Riegel's Special Selected, all originating from one pedigree plant. You will find no variation—every plant alike and uniform—a magnificent strain .....	2.00	1.70	3.75	15.00
326.—Hartje & Elder. Riegel's Selected Stock. 20 ins. You will find this selection perfectly uniform. Early, good for cutting .....	1.50	1.00	2.00	8.00
324.—Wistralia. Riegel's Improved. 24 ins. A strong grower. Giant, glistening white blossoms. Another one of our pedigree selections Uniform and true to name .....	2.00	1.70	3.75	15.00
333.—Leucanthemum Davisii. 20 ins. Very early variety, free blooming. Fine for cutting. A very hardy, true to type variety .....	1.50	1.00	2.00	8.00
378.—Elder Improved. 30 ins. A great improvement over the old strain of Hartje and Elder. Larger and stronger in both flowers and plant. Good stiff stems and early. A real good florists' cut flower .....	1.50	1.00		
336.—Memorial. 24 ins. The earliest of all. Medium sized flowers. Enormously prolific. Very valuable on account of its extreme earliness .....	1.50	1.00	2.00	8.00
332.—Etoile de 'Or. A large English type. Very prolific and hardy. Fine for bed decoration and cutting .....	1.50	1.20		
403.—Pearl—A new variety which is unusually hardy, resistant to both cold and heat. Is not the largest, but a good one .....	1.50	1.20	2.50	10.00
402.—Giant Shasta Mixed. This mixture is of the large giant type .....	1.50	1.00	2.00	8.00
342.—Supreme. 24 ins. One of the grandest, large, hardy, early Shastas that is available. Its enormous, long-petaled, glistening white flowers attract great attention. Its magnificent beauty, size and extreme earliness make it an outstanding florists' variety .....	2.75	2.20	5.00	20.00
340.—Diener's Giant Mixed—This mixture is made up of Diener's special types. They are wonderful in size and beauty .....	5.00	4.50		

## **DIANTHUS PLUMARIUS OR GRASS PINKS—**

A grand and useful class of plants. Brilliantly colored and pastel flowers for beds, borders, rockeries, edgings and cutting. These dwarfs plants are free blooming and produce flowers of different forms 1 to 2 inches across. Of easy culture. Succeeds in all soils.

290.—Giant Double Clove, mixed. 12 ins. Brilliant, double flowers with spicy fragrance. One of the best for cutting. Known and grown everywhere.....	1.50	1.00	2.00	8.00
291.—Caesias Splendens, 6 ins. Rose shades. Very dwarf. Frangrant. Makes beautiful clumps. Ideal for borders and rocks .....	1.50	1.00	2.00	8.00
292.—Single Clove or Pleasant Eye. 10 ins. Large, single flowers in showy colors. Very fragrant .....	1.50	1.00	2.00	8.00
299.—Allwoodi Alpinus. A lovely rock plant. Glossy leaves and large flowers of beautiful shades of rose and pink .....	1.50	1.00	2.00	8.00
306.—Spring Beauty. 12 ins. Double, carnation-like flowers in a beautiful range of colors. Very fragrant .....	1.50	1.00	2.00	8.00
293.—Semperflorens or Florists' Perpetual Ever-blooming, double and semi-double. Mixed colors. Gives a long season of bloom .....	1.50	1.00	2.00	8.00
294.—Highland Rose Hybrids. Lovely, single flowers. Rich fragrance. Bright rose with zone of deep rosy red .....	1.50	1.00	2.00	8.00
315.—Dwarf Double Clove. Nanus mixed. 6 to 8 ins. Same as Giant Double Clove, but of very dwarf growth, making it ideal for the rockery and border .....	1.50	1.00	2.00	8.00

1107.—*Royal Blue*. 12 ins. Low, compact plants. Bright blue .....

1.50 1.00

### VINCA—

1137.—*Major*. This plant differs from *Vinca Minor* in that it makes a low upright bush 10 to 12 inches high with semi-vines branching out from the top. A very strong grower, larger leaves and flowers, almost as large again in the same dainty lavender blue. This plant will grow in full shade where such a plant is desired for border lines and circle beds massed under trees, etc. A very showy, evergreen plant. Succeeds in sunny locations.....

1.50 1.00 2.00 8.00

### VIOLETS—

1116.—*Spring Beauty* or *Confederate*. This is an ideal variety for the rock garden. One of the first to appear in the spring with its large, showy white blossoms with pale blue centers. It is an extra strong grower, very hardy, and once established, takes care of itself .....
